Gramley asked for approval of the minutes of the October 17, 2016 meeting. Upon a motion by Kenneth Schultz and second by Jody Springsteen, the minutes were unanimously approved.

Under the Staff Report, West Towns Case Coordinator Carol Alfrey updated the board on West Towns activities. She shared the service statistics from the very busy Nov. / Dec. period, as well as the WT CRT meetings and programs. She stated that webinars are helpful in getting her the information in a cost-effective and convenient manner. She highlighted her work with the PODA (Prevention of Dangerous Acts) youth group at Kaneland High School which changed their name to Snowball. She said they were able to provide 4 scholarships for KHS to attend the Snowball event. She reported that the Clothes Closet has lots of clothes to distribute and the dates for the next Good Grief Camp are June 26 – 30, 2017.

Operations Manager Dalila Alegria reported on the INC Board finances for the period July 1, 2016, through December 31, 2016. Revenues are above budget due to additional 708 tax money received than originally budgeted and an earlier rent payment from our tenant agencies. Expenses are under budget due to slow billing from our funded agencies and equipment maintenance and asset replacement being significantly under budget. Overall, Net Income is \$972,049.66, which is \$87,121.95 over budget.

Administrative Assistant Eileen Maryanski reviewed the unaudited service statistics for the first six months of FY17. She reported that 49 Kaneland Township residents received 148 units of service for that period. This is comparable to the statistics at the same time last year.

Alegria reviewed the 708 Tax Receipts for FY16. A total of \$1,775,592.66, or 99.46% of the anticipated FY16 levy was collected. This is \$8,152.59 more than budgeted. The Kaneville Township portion of the total is \$13,209.63 or 99.92% of the extended levy. Executive Director, Jerry Murphy provided information on the Consumer Price Index (CPI).

Murphy reported on the Funders' Consortium Application. He stated that the application was posted on our website on 12.15. It will be due on 03.17. United Way has a more expansive catchment area now so we may see more applications.

Under New Business, Murphy reviewed the Budget and Appropriation Ordinance for use of the 2016 Levy to be used in 2017-18. Based on INC staff projections, the INC Board is recommending that 100% of the levy be used for operations and purchase of services with 0% to be allocated for support of the building. Jeanette Wampach moved that the 708 Board approve this recommendation, which will then be forwarded to the township to be included in their aggregate ordinance. The motion was seconded by Schultz, and unanimously approved.

Murphy reviewed the One Year Update to the Three Year Strategic Plan, which becomes effective July 1<sup>st</sup>. He highlighted the goals and objectives that related to greater efforts to make sure that all residents in INC's service area are aware of the services that are available and how to access them.

Maryanski informed the board that the nomination form for the Lyle E. Oncken Community Service Award is posted on the website. It is a fill in form which people can do online and send back electronically. There will also be a link to the form in the February INC Links. Deadline for nominations is Friday, March 10, 2017.

Under Update on INC Board Committees, Murphy reported on the Property & Facilities Committee. Murphy discussed the meetings the committee has had with our funded agencies that are interested in future use of our buildings and/or vacant land. Murphy reported that the Public Relations Committee is setting up a plan to use social media to get information out to the residents of south Kane County. Murphy stated other options that are being considered are Kane County Connects interview, Channel 17 broadcast. Murphy encouraged 708 Board members to join one of the committees mentioned or the Program Committee that will be meeting after the applications are due in March.

There being no further business to come before the Board, the meeting was adjourned on a motion by Schultz, second by Springsteen and a unanimous vote at 7:48 PM.

Respectfully submitted,

Jan Gramley  
Secretary
