The GARAGE is Almost Complete!

Family Counseling Service's new 5,000 square foot Garage is nearly complete! The Garage is a life skills training center for at-risk youth.

Using the Garage, their 1-2-1 Mentoring program helps kids learn the basic life skills they need to be successful: from cooking and shopping skills to job skills, and interpersonal, social skills.

They'd love to have you at their **"Almost Open House"** so you can see what they're doing and meet some of the staff and kids who make this program so successful.

You can RSVP to eward@aurorafcs.org or just show up on **Friday, December 2nd**! They'll have food and drinks available, and they'd love to show you around. The Almost Open House will take place from **4:30 – 8 PM** at 70 S River St, Aurora, IL 60506.
