

## FY19 Objectives

- Objective 1: Continue discussions with AID regarding use of Thompson Rehab Center and Keeler Center. Property & Facilities Committee to provide recommendation no later than December 2018. – GOAL 1
- Objective 2: Continue dialogue with interested parties on the use of vacant land. Property & Facilities Committee to provide recommendation no later than June 2019. – GOAL 1
- Objective 3: Continue outreach to low income and Latino communities using collaborations with Family Focus, Compañeros en Salud and other community partners working with these populations while assessing the efficacy of outreach efforts. Report to INC Board prior to January 2019 Strategic Planning sessions. – GOAL 2
- Objective 4: Continue Program Committee’s discussion with provider network in order to obtain input for INC Board’s January 2019 Strategic Planning effort semiannually. Topics to include funding models, the need for trainings and/or capital needs. – GOAL 3
- Objective 5: Provide monthly content to township liaisons to readily have available for posting on social media, newsletters, or as best fit for their township and link back to the INC Board website while highlighting the services available through INC’s funded agencies and information that would be of interest to south Kane County residents. – GOAL 4
- Objective 6: Further engage all board members by highlighting INC Funded Agencies in INC Links and at the INC Board Meetings to bring more awareness of services. – GOAL 5
- Objective 7: Review all internal information and data systems and report on areas where efficiencies can be made. – GOAL 4
