

## **FEATURED AGENCY: Association for Individual Development**

What began in 1961 as one unique program for 8 children with special needs, has grown to more than 20 unique programs and services for 4800 people with intellectual, developmental, behavioral and mental health challenges. The Association for Individual Development (AID) services span seven counties, offering customized guidance, support and skill building to help people live the lives they want to live. Programs include: education and communication skill building for individuals with autism; permanent supportive housing; social, behavioral and daily living skills programs; vocational training; career planning; job placement and on-the-job coaching services; crisis intervention; victims services; mental health treatment and recovery; behavioral intervention; health and wellness; community education; and advocacy.

AID is an INC Board NFP partner agency, directing INC funds to services and individuals not supported by other sources of local or state funding. INC funds support individuals with Autism working to improve their social and communication skills to access all of the opportunities in their communities. Individuals with various challenges participate in health and wellness programs, adopting healthier lifestyle choices and learning simple fitness routines. Those in crisis and those who have been a victim of crime or trauma have 24 hours a day access to counseling and intervention.

AID is an integral piece of the collaborative fabric of the community. We are proud to be an INC partner, working to positively influence the lives of so many residents in need. More than 1900 individuals benefit from INC-supported AID programs. For more information [Click Here](#)

### Remembering Daniel B. Hanna (Oct. 24, 1935 – May 22, 2019)

The INC Board was saddened to learn of its past Executive Director's passing. For almost 20 years, he was employed by INC Board and served as its Executive Director until his retirement in 2001. Before coming to INC Board, Dan served as a Merchant Marine, he was ordained to the priesthood and a caseworker for the Cook County Department of Public Aid. Despite "retiring" to New Orleans, Fr. Hanna found a new home at St. Anna's Episcopal Church.

We extend our sincerest condolences to his family and friends. [Click here](#) for full obituary.
