South Kane County Townships Working Together

## Conley Outreach Community Services

Carol Werdin Alfrey worked for Conley Outreach for over 20 years. As she retired in December, she could honestly say that she had loved her job. She was so proud of the services they had developed over her time at Conley Outreach. From Holiday Spirit and the Good Samaritan Clothes Closet, to the Monthly Meals program in Elburn and their Good Grief Day Camp, they tried to meet the needs of this growing community. Currently, they work in Kaneland High school encouraging kids to stay healthy and provide grief support through 3 adult support groups. Every year they help over 2,000 people in this community. It is hard to say good-bye, but it is time to turn the reins over to the next generation. And so, Carol is pleased to introduce their next Executive Director, Jennifer Long. Jennifer is a Batavia native, now living in rural Kaneville with her husband, Scott, and two children. She has 20 years of experience in social service, including substance abuse counseling, community outreach, mental health, and adult protective services. Jennifer has the right combination of education, experience, and temperament to take on the challenges of leading a small nonprofit in these changing times. You can count on her to continue the 30+ year Conley legacy of "Caring for the Heart of Community".
